

CONVOCATION CEREMONY

MAY 27, 2026

TODAY'S CEREMONY

The ceremony is expected to last approximately two hours. We kindly ask that you stay in your seat for the duration of the ceremony and keep noise to a minimum, except when cheering for the graduates.

Each graduate will be called up on stage to be recognized and have a picture taken with Dr. Julia Christensen Hughes, President & Vice Chancellor of Yorkville University. Graduates are then expected to return to their seats.

Following the ceremony, there will be a light reception, where you will have the opportunity to socialize with your fellow graduates, faculty, family members and friends.

Professional photos taken during the ceremony will be shared with you at a later date via email. The platform party will also be available for photos with family following the ceremony.

Please remember to celebrate this special day with us on social media by tagging @yorkvilleu.

ACADEMIC REGALIA

The wearing of academic regalia is a tradition that has persisted from the Middle Ages, derived from the monasteries and wearing of clerical robes, and continued in a new way as universities were founded. The degree hood was originally part of the monk's habit and eventually, the hood became separate from the gown, variegated in colour, and emblematic of fields of study, degrees, and universities.

For the mortarboard, the tassel is worn to the left until graduation and is moved to the right during the ceremony. For photographs, the tassel should be worn on the right. Graduates are to wear the appropriate gown and hood for their degree or diploma.

MAY 27, 10 AM

PROGRAM

Academic Procession

The audience will stand for the Academic Procession and remain standing until after the singing of 'O Canada'.

Land Acknowledgement

Ted James
Campus Registrar

DISTINGUISHED CONVOCAATION SPEAKER

10 AM

JUSTIN MEDAK

Justin Medak is a full-time faculty member in the Bachelor of Business Administration program at Yorkville University.

He holds a BBA, MBA, CPA, CA, and PMP, and brings over 15 years of experience in post-secondary education, program development, and enterprise risk consulting. Justin has played a foundational role in shaping Yorkville's business programs, including creating the entire Accounting Specialization and developing all courses within it.

In addition, he has established transfer credit pathways with CPA Canada, the Project Management Institute, and the National Payroll Institute, strengthening connections between academic study and professional designations. Beyond curriculum development, Justin is actively involved in academic governance, serving on Senate, Faculty Council, and multiple committees, including as Chair of the Admissions Committee.

He is also committed to student and faculty success through mentorship, orientation initiatives, and the creation of a Life Skills Mentoring Program. His work focuses on building practical, career-aligned learning experiences that support diverse, working adult learners.

STUDENT CONVOCATION SPEAKER

10 AM

JOANNA GARIN

Joanna Garin is a dedicated Bachelor of Business Administration student who successfully completed her program over two years while also working full time.

As a new immigrant, she embraced the challenge of adjusting to a new country while pursuing higher education, demonstrating resilience and determination throughout her journey.

Based in the Yukon, Joanna completed her studies through online learning despite harsh weather conditions and occasional limited internet connectivity. Her ability to consistently meet deadlines and stay engaged in coursework reflects her strong discipline and commitment to academic excellence.

In addition to her studies, Joanna is a hands-on mother, wife, and office professional. She effectively balanced her responsibilities at home and work while remaining actively involved in her academic community. Her experience highlights her time management skills, perseverance, and dedication to continuous learning.

DISTINGUISHED CONVOCATION SPEAKER

3 PM

DR. LOUISE OLIVIER

Dr. Louise Olivier serves as full-time Liberal Arts faculty in the Bachelor of Business Administration and Associate of Arts programs at Yorkville University.

She has a PhD in English from North-West University and a TESOL qualification from Arizona State University. As a lifelong learner, she also holds Advanced TESOL Canada and Digital Marketing Trends Certificates. She is a multi-skilled and qualified education professional with solid industry experience (21 years) in Teacher Training, Academic Literacy, and Digital Literacy. She has also published in various peer-reviewed journals and books and has presented at international conferences. She has also held various leadership roles at educational institutions in South Africa, England, and Canada.

She is a multi-skilled educator focusing on multimodal pedagogy, alternative assessments, and experiential learning. She fosters inclusive and interactive classrooms, strong student support, and collaboration among colleagues, bringing scholarly rigour and practical creativity to every learning environment.

A portrait of Karan Miglani, a man with dark hair, a beard, and glasses, wearing a dark suit, white shirt, and maroon tie. The background is a light blue gradient.

STUDENT CONVOCATION SPEAKER

3 PM

KARAN MIGLANI

Karan Miglani's post-secondary journey began in 2018 with aspirations of becoming a computer science engineer.

With a background in Math and Science, he has always been self-driven to learn and solve problems. However, his path took a turn toward business, shaping a journey defined by adaptability, growth, and resilience. After arriving in Canada, Karan faced early setbacks, including an unsuccessful attempt to secure a role as a math instructor; an opportunity he later achieved through persistence.

This experience led to his role as a peer mentor at Yorkville University's BC Campus. Karan played a key role in piloting the Supplemental Instruction (SI) program at the BC Campus, working closely with campus leadership and faculty. The program received strong engagement and positive feedback, eventually becoming a core component of the peer mentoring model.

Over time, he transitioned from student to full-time staff at Yorkville University, consistently leveraging opportunities to grow and contribute. Beyond this, he supported New Student Orientations and campus events as a student ambassador, contributing to both academic and student engagement initiatives.

YORKVILLE UNIVERSITY ALUMNI NETWORK

Your connection with Yorkville University doesn't end after today's graduation—it marks the beginning of your alumni journey. Now you join a global community of people who are the flag bearers of our institution, a testament to our shared values, experiences, and accomplishments.

For the next six months, you'll have access to Yorkville University's Career Services, providing invaluable assistance as you embark on your professional journey. Additionally, you'll unlock a range of exclusive alumni benefits and networking opportunities.

We encourage you to update your LinkedIn profile to reflect your Yorkville University education and to stay connected through our Yorkville University Alumni Group on Facebook and the program-specific alumni pages on LinkedIn.

These platforms serve as fantastic resources where you can engage with fellow alumni, share insights, and foster meaningful connections.

Congratulations grads! We look forward to witnessing your continued success and staying connected as you shape your future.

[JOIN THE ALUMNI NETWORK](#)

ABOUT YORKVILLE UNIVERSITY

Yorkville University began with a bold vision: to offer flexible, rigorous, and career-focused programs that transform lives.

Since 2004, Yorkville University has expanded to campuses across Canada, offering both online and on-campus programs.

Our graduates have advanced their careers through programs in the behavioural sciences, social sciences, business, design and the creative arts. Yorkville University's student-centred, practitioner-oriented approach equips graduates with skills that employers value, making us one of Canada's largest private universities.
